Additionally, staff had advised the undersigned officer that Mr. Haffner had been placed on a "last chance" contract, and he violated the last chance agreement by consuming marijuana.

- 2 **Special Condition # 17:** Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from this substance.

A urine sample was collected that same day and the results were negative.

- 3 **Special Condition #17:** Defendant shall abstain from the use of illegal controlled substances, and shall submit to urinalysis and sweat patch testing, as directed by the supervising officer, but no more than 6 tests per month, in order to confirm continued abstinence from this substance

On December 15, 2017, Mr. Haffner provided a random urinalysis test at Pioneer Human Services (PHS), as the color of the day was brown 2, Mr. Haffner's assigned color for urinalysis testing. The urine sample tested presumptive positive for methamphetamine and was sent to Alere Toxicology for further testing. Mr. Haffner denied using methamphetamine and claimed it was from Adderall, a drug prescribed to him. On December 26, 2017, the undersigned officer received the lab report from Alere Toxicology, confirming a positive result for methamphetamine.

On December 26, 2017, the undersigned officer confronted Mr. Haffner on the positive test for methamphetamine. Mr. Haffner adamantly denies using methamphetamine and continues to blame it on his prescription for Adderall.

The U.S. Probation Office respectfully recommends the Court issue a summons requiring the offender to appear to answer to the allegation(s) contained in this petition.

I declare under penalty of perjury that the foregoing is true and correct.
